Mayors Thought for the Day:

"My creed is that public service must be more than doing a job efficiently and honestly. It must be a complete dedication to the people and to the nation with full recognition that every human being is entitled to courtesy and consideration, that constructive criticism is not only to be expected but sought, that smears are not only to be expected but fought, that honor is to be earned, not bought."

-Margaret Chase Smith, 1st woman to represent Maine in Congress and 1st woman to serve in both houses of Congress. Served in Congress from 1940 to 1973.
